

Balloon Inflation - Care Instructions

To avoid over-inflation and the possibility of a balloon popping close to your face, **DO NOT** inflate by mouth; always use a balloon hand pump or electric inflator to inflate balloons and always wear approved safety glasses.

CHOKING HAZARD: Children under 8 years can choke or suffocate on uninflated or broken balloons. Adult supervision required. Keep uninflated balloons away from children. Discard all broken balloons at once.

**Do NOT
over-inflate balloons!**
